

February 11, 2009

The Honorable Judge Robert D. Drain
United States Bankruptcy Court for the Southern District of New York
One Bowling Green - Room 610
New York, New York 10004
Case Number: 05-44481 FILED October 5, 2005
Debtor: Delphi Corp.
Document # 14705 to cancel OPEB (health insurance benefits) for all retirees

Dear Judge Drain:

This letter is to express my concern with Document #14705 filed by Delphi Corporation on February 4, 2009 asking the court to cancel health insurance benefits (OPEB) for over 15,000 people who are retirees of Delphi Corporation. **Please note that this letter is an OBJECTION to that document, and file it as a motion to object to Document #14705.**

The document was filed with no previous warning to any of the retirees of Delphi Corporation and was only made known to us via letter on February 5, 2009 which gave us a mere twelve days to file our objections.

The cost of living has increased significantly in the last two years and the value of stock savings plans have decreased due to the economic conditions. The loss of health care will cause additional financial hardship for the majority of retirees. It will have a huge impact not only on the retirees but also on every community where retirees reside. Re-entering the workforce when the unemployment rates are already at high levels will be difficult for retirees healthy enough to work. Finding a job with health care will be even more challenging.

It is my belief that there are other ways to restructure the company and still retain health care for retirees. Health care benefits are currently scheduled to stop at the age of 65 for all retirees. This cost is a decreasing cost to the company as each of us reaches that 65-age milestone.

Please know that each of the 15,000 retirees who will be negatively impacted by this action will be looking to you for your consideration when making the decision concerning Document #14705 dated February 4, 2009.

We ask you to REJECT this motion.

Respectfully submitted by:

Marion L. McDonald
